It's your Society...

Committee Vacancies

The Committee has several vacancies that need filling at the AGM in September, as some members are standing down. Without a full committee the Society will fail to continue, as a quorum is required for decisions, according to the Wantage Choral Society Constitution.

Jobs that will need filling:

Treasurer

Librarian

Patrons Liaison

Tasks can be shared, and whatever time you have available, all help is valued.

If you are interested in joining, please talk to any of the present members and find out more

If you are not able to join the Committee for what ever reason, but are willing to help out in any other way, also please speak to a committee member.

Best Wishes,

Denise Davies, Chairman
